

Activities for the session 2017-18

SEMINAR OR WORKSHOP ORGANIZED

Dated: August 10-11, 2017

Event Name: Two-day National Workshop entitled '*St. Bede's Science Theatre 2017: A Celebration of Science through Stage Shows, Lectures and Panel Discussions*'

Description:

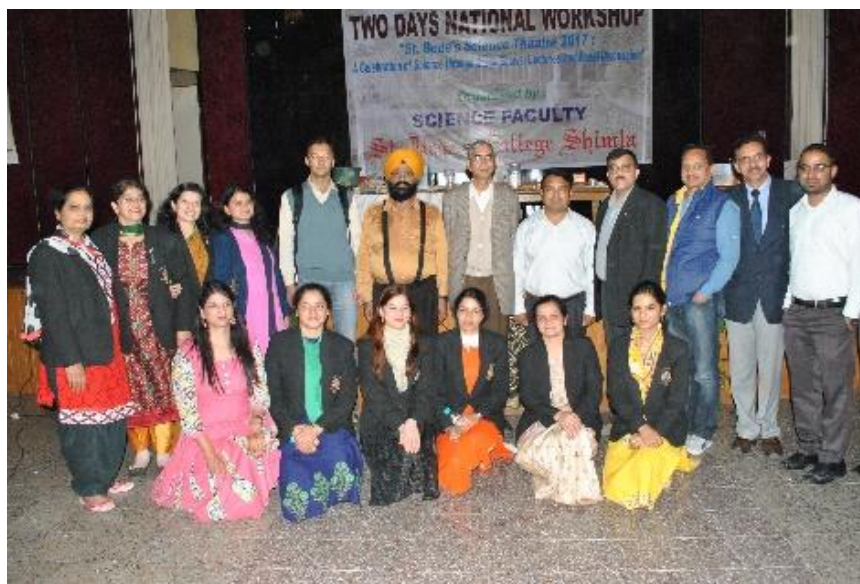

Physics department organized a Two-day National Workshop entitled '*St. Bede's Science Theatre 2017: A Celebration of Science through Stage Shows, Lectures and Panel Discussions*'. Around 300 science students of the college along with 150 students of various colleges and schools of Shimla attended it.

Prof. P.K. Ahluwalia (Professor, H.P. University), Prof. T.R. Ananthakrishna (Professor, International School of Photonics, Cochin, Kerala), Prof. Nivedita Sharma (Professor, Y.S. Parmar University of Horticulture, Nauni), Prof. M.S. Marwaha (former Principal, Sri Guru Gobind Singh College, Chandigarh), Prof. Nainjeet Singh Negi (Professor, H.P. University) were the resource persons in the workshop.

Along with the invited talks there was a panel discussion on the topic '*Latest Trends and Opportunities in Science*'. Students of the department also put up an exhibition on different experiments.

EDUCATIONAL VISIT BY STUDENTS

Dated: September 20, 2017

Event Name: Visit to PU Chandigarh

Description:

Students of Physics department visited the Punjab University Chandigarh. They got an exposure to various physics labs of the department and also to the one of the oldest particle accelerators (cyclotron). This cyclotron housed at Panjab University Chandigarh was invented by American nuclear scientist E.O. Lawrence and used by research scholars and teachers of the university.
