

Activities for the session 2017-2018

- Newsletter

The fourth issue of the annual newsletter of the department “Bedenomics” was published to highlight some of the events that our students, faculty and alumni are involved in.

- Workshop on ‘Learning to learn’

A workshop on ‘Learning to learn’ was organized by the Department of Economics in collaboration with University of The Fraser Valley South Asian Studies, Canada on 26th February, 2018. Dr. Satwinder Bains, Director of University of The Fraser Valley South Asian Studies, Canada interacted with the students and faculty of St. Bede's College and deliberated on teaching and learning. Her thought provoking ideas stressed on going beyond curriculum and motivated the students to inculcate critical thinking as learning is multidimensional, participative and learner centered. One should have ability and desire for lifelong learning.
